Serial No.

y — A Complete report on the working of the scheme (vide Govt. proc. No. 3580-4 & 12.5.15) In accordance with this Govt. order the Municipal Councils submits the reports.

After a delay of 1 year.

2. From the statement received it is observed that there has been progress in the number of children vaccinated in the Municipal areas where it was declared Compulsory and that the people realise the benefits of vaccination. The number of prosecutions launched were two in Shimoga Municipality, five in Kolar & 5 in Hubli-Dharwar Municipalities.

Kolar District
Bowringpet, Malur, Chikballapur, Gauribidanur, Gudibanda, Bagepalli, Sidlaghatta, Chintamani, Srinivaspur

3. The Sanitary Commissioner states that no bye-laws were in force in the marginally noted Municipalities.

Municipality
Kolar District
Ramanmangalam

4. It is submitted that in the Municipalities referred to in para 3 above, vaccination has been declared Compulsory for further periods.

Municipality	period
Bowringpet	5 years from 1st March 16.
Malur	2 years from 1st January 16
Municipal	5 years from 1st July 16
Srinivaspur	
Sidlaghatta, Gauribidanur, Gudibanda, Chintamani, Bagepalli	2 years from 1st March 1915.
Ramanmangalam	One year from 1st July 15

5) Note further action necessary

Mr. Kaup to the Secretary to Govt. to take immediate steps for submission of necessary bye laws for Govt. sanction.

Office of the Sanitary Commissioner
with the Government of Mysore,

D3417 No. 3673 Enc 7

Dated, Bangalore, the 17th March 1916.

Sanitary 12-18-32

From

Rao Bahadur Rajakarya Pravina
T.V.Arumugum Mudaliar, Esq., M.B.C.M.,
Sanitary Commissioner with the Govt of
H.H. the Maharaja of Mysore, Bangalore.

To

D.M.Narasinga Rao, Esq., B.A., B.L.,
Secretary to the Govt. of H.H. the
Maharaja of Mysore, General Dept., Bangalore.

Sir,

With reference to para 5 of Government Order No. 3580-4/Sany.33-13- dated the 12th September 1913 calling for a report on the working of the scheme of Compulsory Vaccination in certain Municipalities of the Bangalore, Kolar Kadur, Shimoga and Chitaldrug Districts, I have the honor to state that with a view to obtain complete and uniform details from every District, the Presidents of the District Boards concerned were requested to furnish information in the form of a prescribed statement. Enclosed I submit for the information of Government copies of such statements received.

2. It will be seen that there has been an appreciable increase in the number of Vaccinations performed in most of the compulsory areas sice the introduction of the Vaccination Regulation. Yet, I am not prepared to say that the increase was to any considerable extent the effect of the working of the Regulation. A glance at the accompanying statement compiled in this Office will shew that, as a result of more effective departmental control, the progress in Dispensary Vaccination was very marked during the years 1913 and 1914 and one would not be wrong in assuming that the compulsory areas only shared in the general progress.

3.

GPB—50,000—26-1-15

19

From The Sanitary Commissioner in Mysore

To The Secretary to Govt General Dept

Dated 17 MAR 1916

Despatched

Received

General No. 3673

No.

Enclosure No. 7

Regarding the working of the Scheme of Compulsory Vaccinat in Certain Municipalities of the Bangalore, Kolar, Mand. Shimoga & Chitaldroog Districts

3. A sure test of whether and in what manner the existence of the Compulsory Regulation was availed of by the local bodies is certainly the activity shown in adopting the procedures laid down in the rules, to vaccinate all unprotected children in the area with as much promptness as possible. I find that with the exception of the Municipalities of Srinivaspur, Mulbagal, Hosadurga and Chennageri little use was made of the compulsory rules - not even to the extent of expediting vaccination by the issue of timely notices to parties concerned. I do not suggest that the rules should in any way serve to harass citizens: in fact, no one would be better satisfied than myself if all unprotected children could be vaccinated promptly without having to have recourse to any compulsion whatsoever. But since the need for the Regulation cannot be called into question, it is only fair to expect some evidence of the effective working of the rules.

4. No bye-laws were in force in the Municipalities of Bowringpet, Malur, Goribidnur, Gudibanda, Bagepalli, Sidlaghatta, Chintamani, Srinivaspur, Mulbagal and Narasimharajapuram.

I have the honor to be,

Sir,

Your most obedient servant,

Sanitary Commissioner.

Enc. to Sany. 12-15-32 (7)

Report on the Compulsory System of Vaccination in the Shimoga District.

--oOo--

1. Date on which the ompulsory Regulation ame into force.

The Compulsory Regulation came into force in the Municipalities of Shimoga, Kumsi, Chennagiri, Shikarpur, Kallurkatte and Thirthahalli from September 1913 as per Govt.Notification No.3585/Sany.33-13-3 dated 12th September 1913.

2. Date from which the Bye-laws framed were put into effect.

The dates on which the bye-laws framed were given effect to in the several Municipalities are noted below:-

Shimoga.	13th January 1914.
Kumsi Chennagiri Shikarpur	8th December 1913.
Kallurkatte. Thirthahalli.	21st November 1913.

3. Do the figures after the introduction of the compulsory system compare favorably with those for a corresponding period previous to such introduction. (Figures to be kindly quoted.)?.

From the accompanying statement showing the number of Vaccinations before and after the introduction of compulsory vaccination it will be seen that there has been perceptible improvement in the matter of vaccination.

4. Number of notices issued to defaulters.

Eight notices were issued in Shimoga and Sixty in Chennagiri.

5. Number of unprotected children that remained before the introduction of the regulation.

The following figures show the number of unprotected children that remained before the introduction of the Regulation :-

Shimoga.	296
Kumsi	167
Chennagiri	154

Shikarpur

5. (Contd.)	Shikarpur . .	474
	Kallurlatte . .	29
	Thirthahalli . .	150

6. Number of prosecutions launched.

No prosecutions were instituted in any of the places where Vaccination was made compulsory during the calendar year.

7. Number of unprotected children that remained at end of 1914.

There were 200 unprotected children in Shimoga, 52 in Kumsi, 140 in Chennagiri, 364 in Shikarpur, 12 in Kallurkatte and 38 in Thirthahalli at the end of 1914.

8. The attitude of the people towards the Compulsory Vaccination.

In most of the places where vaccination is compulsory, people are generally agreeable to their children being vaccinated.

Sd/ C.Gopalachar.
